

DOUG CHIVAS MEMORIAL TRACK DAY – CLUB EVENT.

COLLIE MOTORPLEX

COLLIE MOTORPLEX 26TH AUGUST 2023

UPDATE;

Get ready.

It is time to prepare your car and gear ready for our track day. It doesn't matter if you have a track car or your daily driver everyone is welcome. Follow all the instructions on the flyer attached and the entry sheets and information from the Collie Motorplex.

Entry forms should be available soon via the Collie Motorplex web site.

If you have family, friends, other car club members or car enthusiasts that might be interested encourage them to come along and have a go on the track. It is not a race and everyone takes it at their own pace.

Helpers.

We need club members and others to help out on the day to run this event.

Anyone that can help out as a flag marshal or as the recovery crew would be appreciated.

If you don't have a Motorsports Australia Officials licence for these duties you can sign up on the day.

Club Event.

This is a club event and we welcome all members, their families and friends to attend.

The onsite canteen will be open from 8.00am to 2.00pm on the day.

It is an easy run to Collie and an enjoyable place and event to attend.

Enquires.
